A DINNER-EVENT FOR LOVE DIFFERENCE

**Thursday 25th November, 18:00
at Cittadellarte (Biella)**

Dinner-event

This is a dinner at which the creative protagonist will be chef Gualtiero Marchesi, assisted by the renowned "Osteria della Villetta" in Palazzolo sull'Oglio and in collaboration with the wine producing company "Castello di Ama" and Slow Food, which will be presenting the prized wines of Franciacorta (from the Monterossa vineyard), and San Daniele hams in the PataDok version (Jamon Serrano seasoned at San Daniele) by ham producers Castello. Following a guided tour of Fondazione Pistoletto, Gualtiero Marchesi, Michelangelo Pistoletto and Giacomo Mojoli (Slow Food's international manager) will briefly entertain the guests on the significant theme of the meeting between "**Art and Gastronomy**".

Love Difference

The purpose of the dinner is to support the initiatives of Love Difference, the Artistic Movement for an InterMediterranean Politic that began in 2001 at Cittadellarte - Fondazione Pistoletto.

The intention of Love Difference is to create understandings, connections and exchange in those places where the tensions that reflect the problems of global society are most acutely felt. The Mediterranean is both the source of our culture and the cradle of differences that today rather than representing a patrimony for humanity is instead the basis of dramatic confrontation.

With Love Difference, art and creativity take on an active role in the search to reconcile cultural and political differences through initiatives, meetings, conferences, debates, performances, exhibitions and above all projects proposed and developed in each of the Countries surrounding the Mediterranean.

Love Difference now numbers around 400 members. The first 500 subscribers, who by paying a membership fee of € 100 receive the mirror silkscreen entitled "Intermediterraneo" signed (in 500 copies) by Michelangelo Pistoletto, will be considered Founder Members.

The website www.lovedifference.org lists the main events realised to date and future projects.

The fund raising dinner for Love Difference is by advance booking.
